To love and be loved, is every woman's right. To be beautiful is impossible for some women. To be bright-eyed, clear skinned, red lipped, vivacious, attractive is the privilege of all.

Dr. Pierce's Favorite Prescription is designed to cure all distinctly feminine ailments. It is prescribed for girls about to become women and takes from this dangerous period much of its discomfort. It is prescribed for women of all ages who are troubled with inflammation, irregularity, debilitating drains and other symptoms of derangement of the feminine organism. It is a general tonic for the whole system but when such a tonic is needed it is better to take the "Golden Medical Discovery" in connection with the "Favorite Prescription."

Dr. Pierce's Golden Medical Discovery is a medicine for men and children as well as women. It is a most wonderful blood purifier and flesh builder. It searches out and kills disease germs in the digestive system, blood and lungs and puts the whole body in a strong, healthy state.

Before purchasing medicine of any kind it is well to write to Dr. R. V. Pierce, R. Buffalo, N. Y., stating your symptoms. He will diagnose your case and prescribe for you free of charge. It may be that you need both "Favorite Prescription" and "Golden Medical Discovery," or you may need only one. Possibly your case is something entirely different. Whatever you need Dr. Pierce will tell you without a cent of cost to you.

USE OUR EXPERIENCE.
